

BLACK SHEEP (RFC) FOUNDATION
RANDI PERKINS MEMORIAL GOLF TOURNAMENT
AUGUST 17, 2019
Hole Sponsorship Form

Hello Friend,

Twenty + years ago, two club members were talking. They spent a half an hour talking about their prostate, their children, and how their joints ache in the morning when they get out of bed. Years before, when we were playing rugby, our conversation would have entailed talking about playing rugby, meeting women, and partying. They realized they were getting old (we are many years past our late 40's now) and decided to "get everybody together and have a golf tournament".

After our second tournament we decided to have a charity focus for the next year. Total funds raised for children is \$900,000 +/- for our combined events. This is not too shabby considering we have not played rugby together in 25 + years. We are incorporated and are a 501C3 Non-Profit organization.

Our charity of choice for this fundraising event is **Friends of Kids With Cancer**. They are dedicated to enriching the daily lives of children undergoing treatment for cancer and catastrophic blood diseases. Their mission is to provide these special kids and their families with the recreational, educational, and emotional support needed during the long hours of chemotherapy, illness, and isolation.

Each golf tournament we honor a female athlete that is undergoing or has undergone treatment for cancer. We naively thought that we would be leaving these kids "better off". In actuality, these amazing kids leave us better off. That has resulted in the significant increase in funds raised. The first athlete we honored, Randi Perkins (whose name we added to our tournament name to help perpetuate her memory), became our first guardian angel.

Won't you please consider teaming up with the Black Sheep Foundation (Rugby Football Club) Foundation **to help a kid with cancer ... be a kid?** Your fully tax deductible hole sponsorship will help bring a smile to the lives of these special children in an otherwise bleak and scary time of their life. **ALL** the funds will go to Friends of Kids with Cancer.

From the families whose lives you brighten, we thank you for your consideration.

A Thousand Thanks and Cheers
